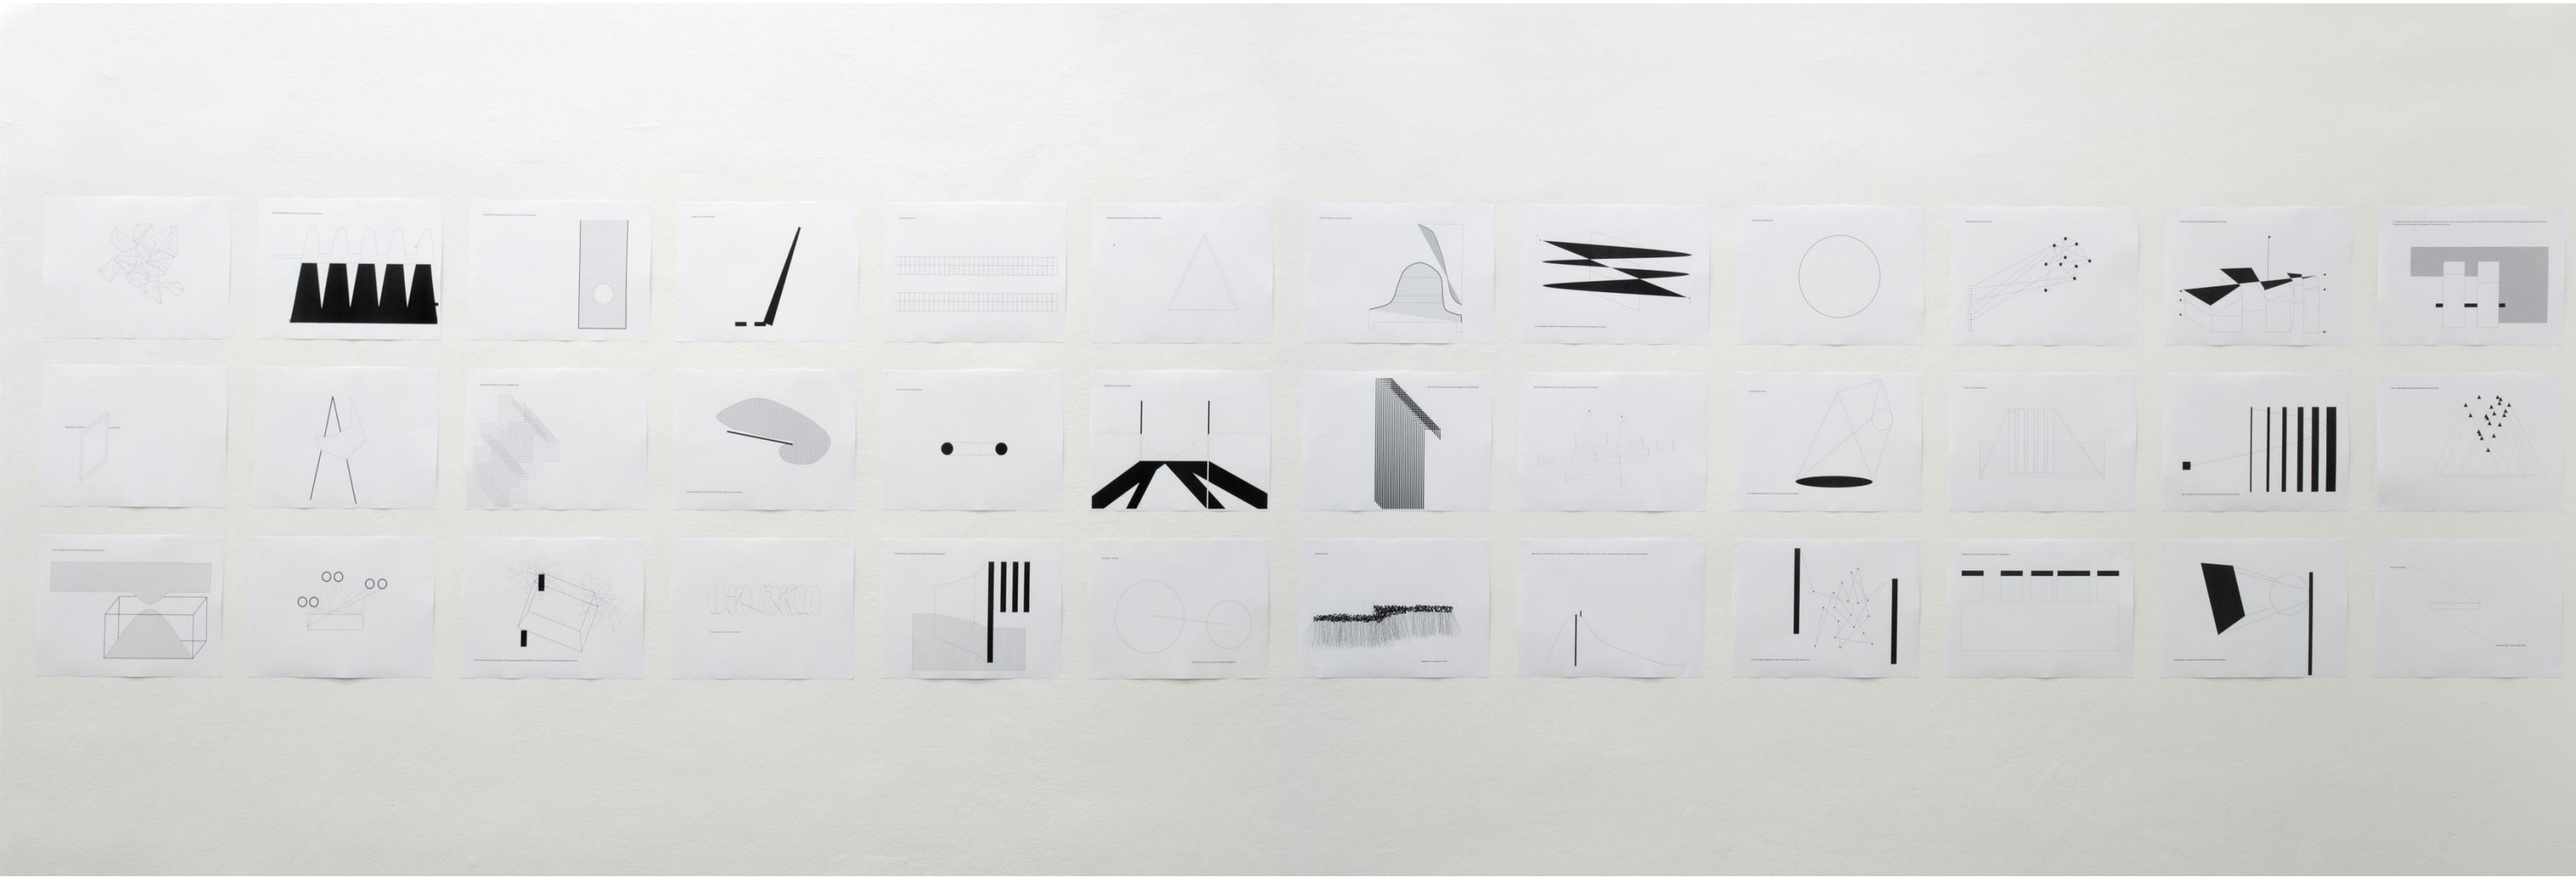
EVANGELIA SPILIOPOULOU ·

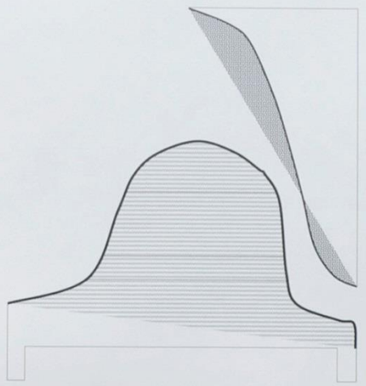
OFFICE DRAWINGS · 2009-'16 ·

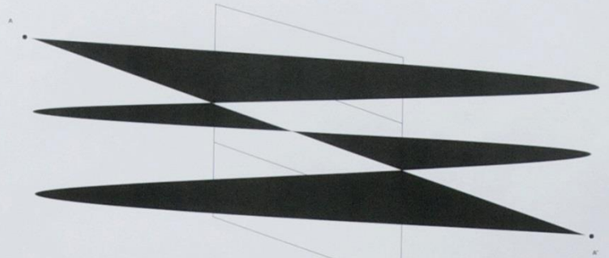


Through the artistic process I often take the freedom offered by art to intuitively enter into different production roles and ultimately dissolve a core belief that the human and artist in particular, is a linearly constructed entity. This element is manifested through artworks which clearly reflect the production conditions of the hosting place. The work titled Office Drawings (2009-ongoing) has developed around the combination of the concepts of profession, creativity and individuality in the office space. The drawings in this series are crafted entirely using the Microsoft Office Word, programme appropriate for text formation switching their materiality from digital (immaterial), to printable in multiple reproductions, re-addressing simultaneously the tradition of originality and artistic skill in Drawing in the meta-meta-readymade era.

EXPERIENCED SPECTACLE SHADING THE PICKS OF UNLIMITED VIEWPOINTS.

SLIGHTLY PASSED BY THE RISEN SORROW





The reversibility of experience repositioned under the instructions of a masterpiece's memory.

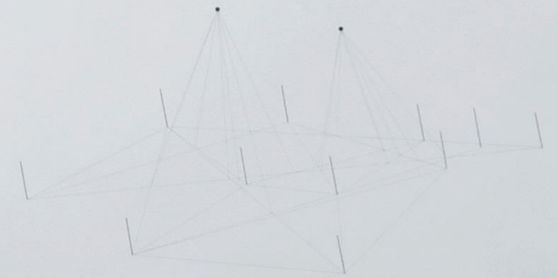
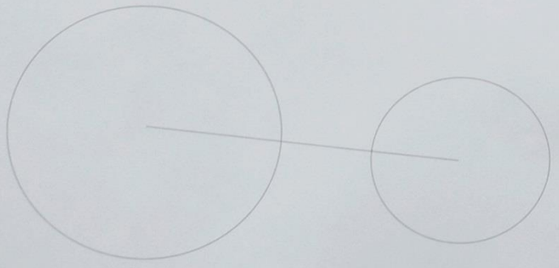
MULTI DIVERSIONED ROUTES - (An unplanned meeting within out-of-time memory)

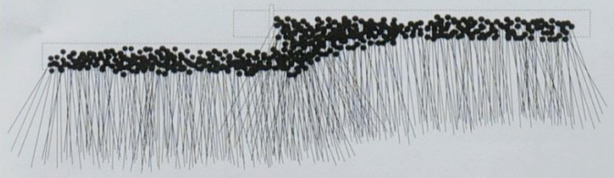


THE WHEEL : THE WILL



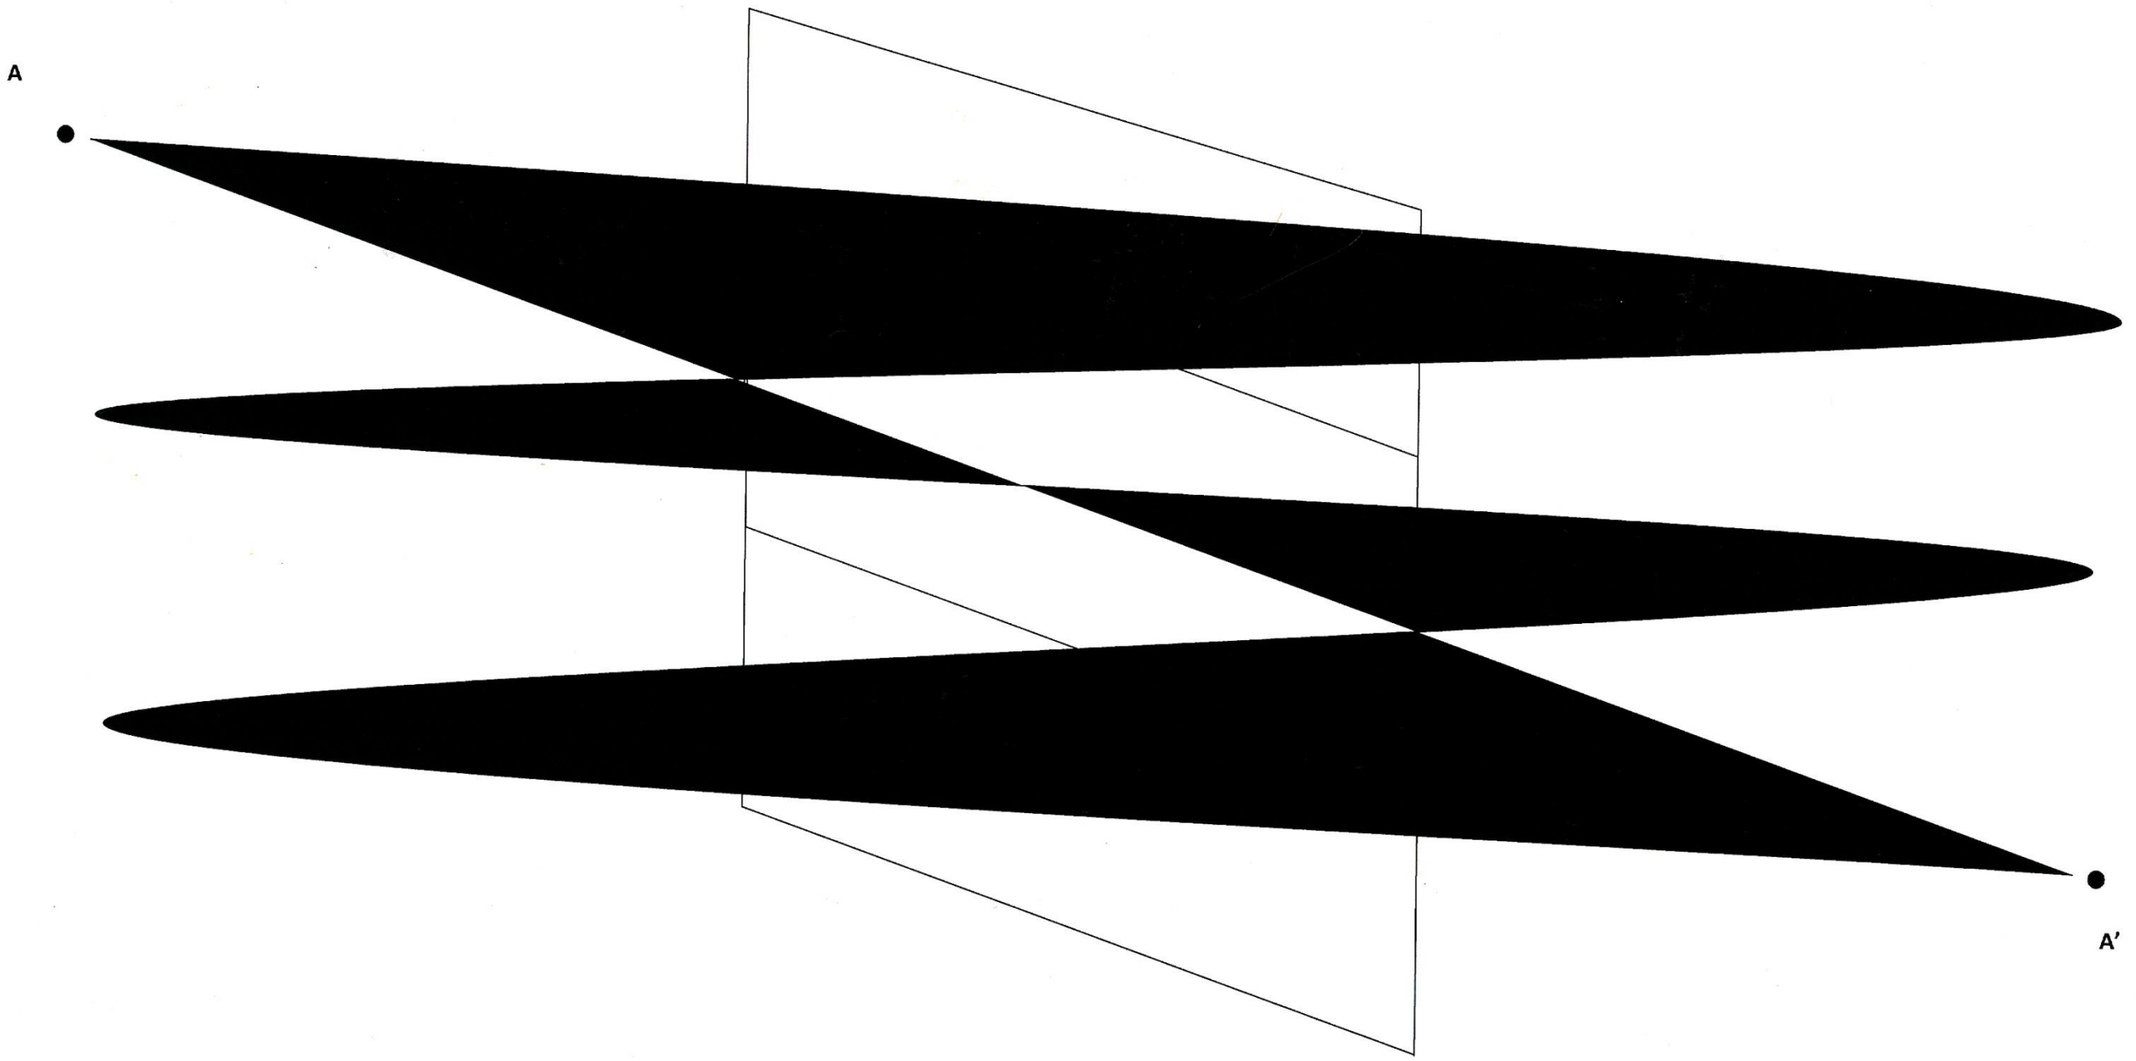
(Proposal for a ride in a sunny forest during any springtime)

SUPPOSITION #4

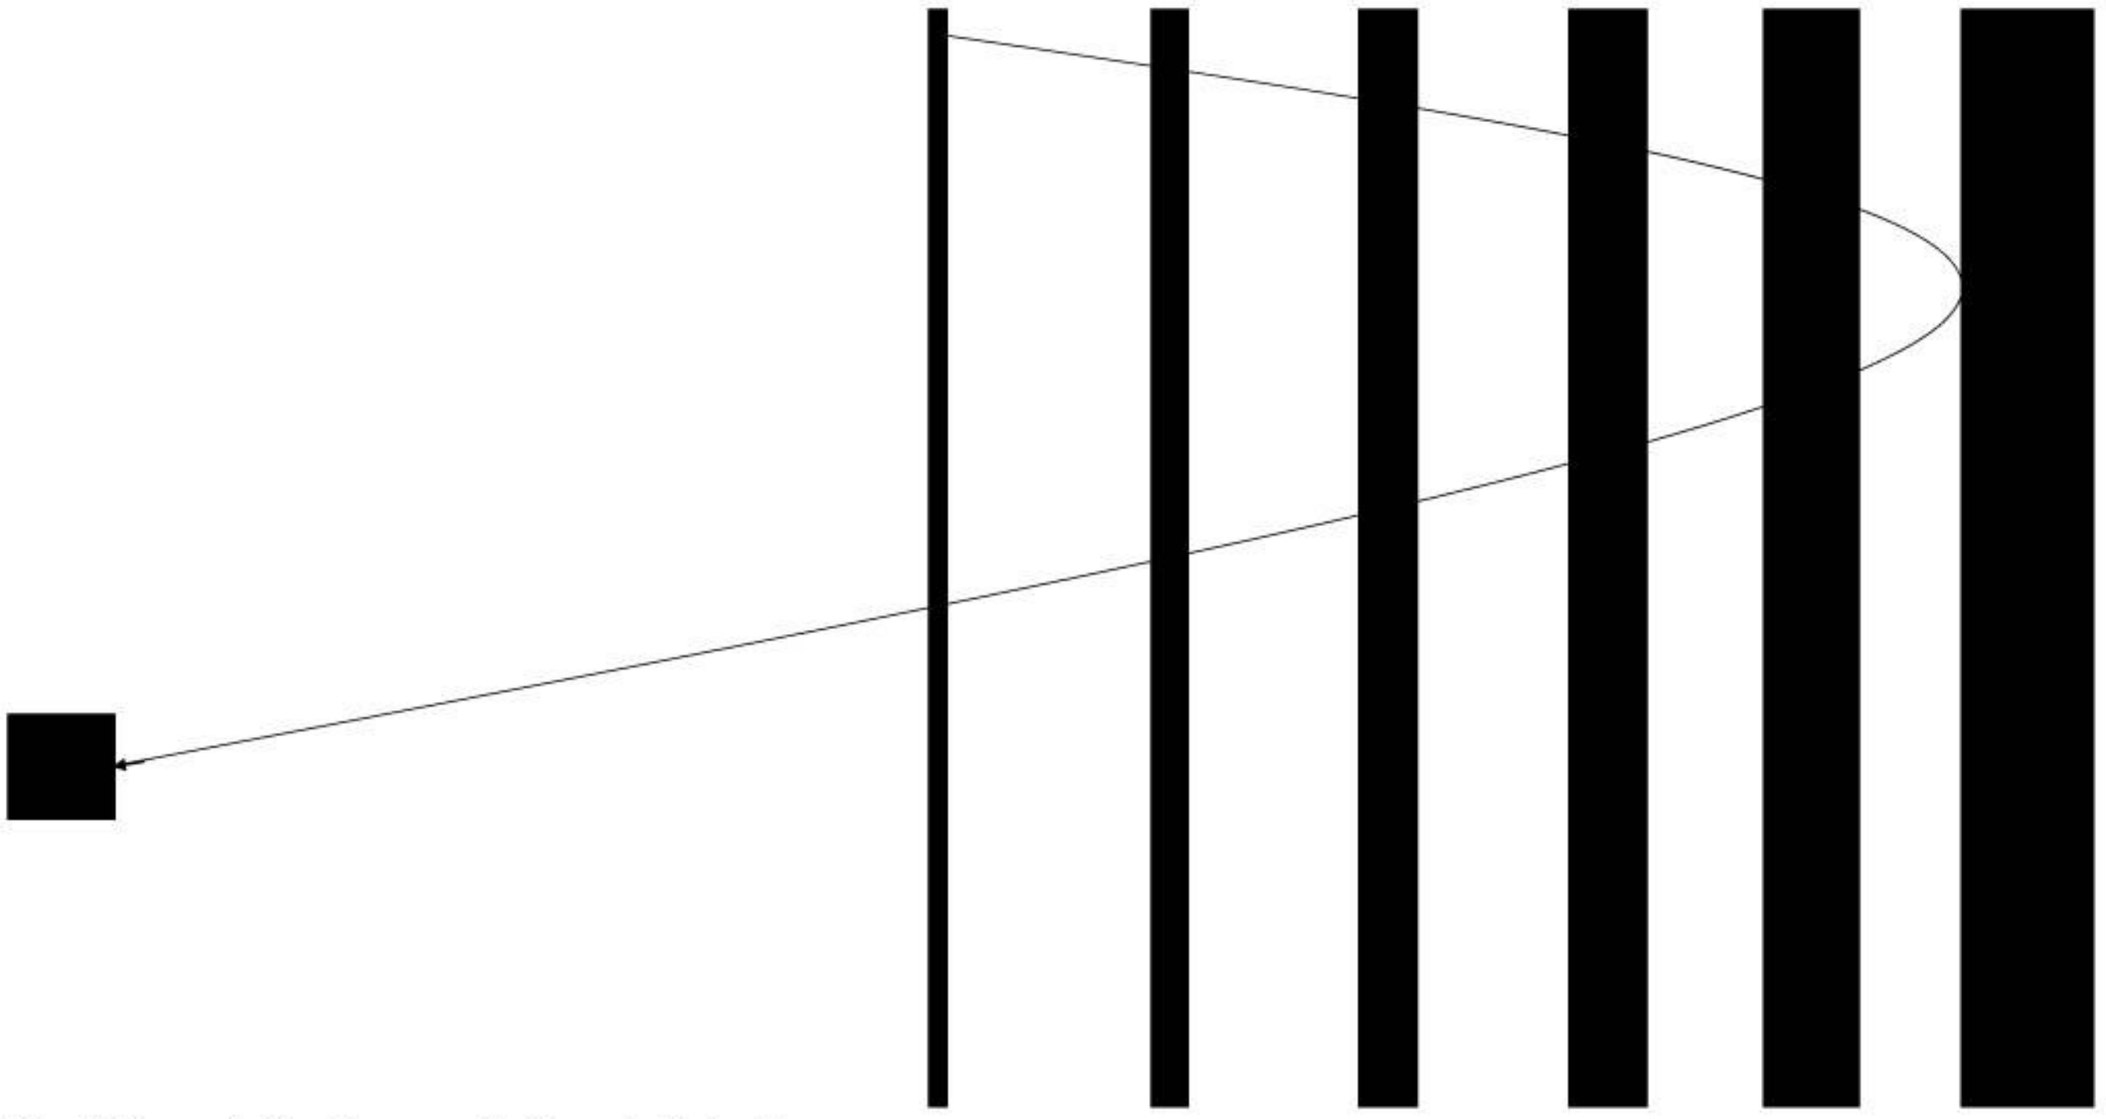


Hypothesis is a sub-position itself

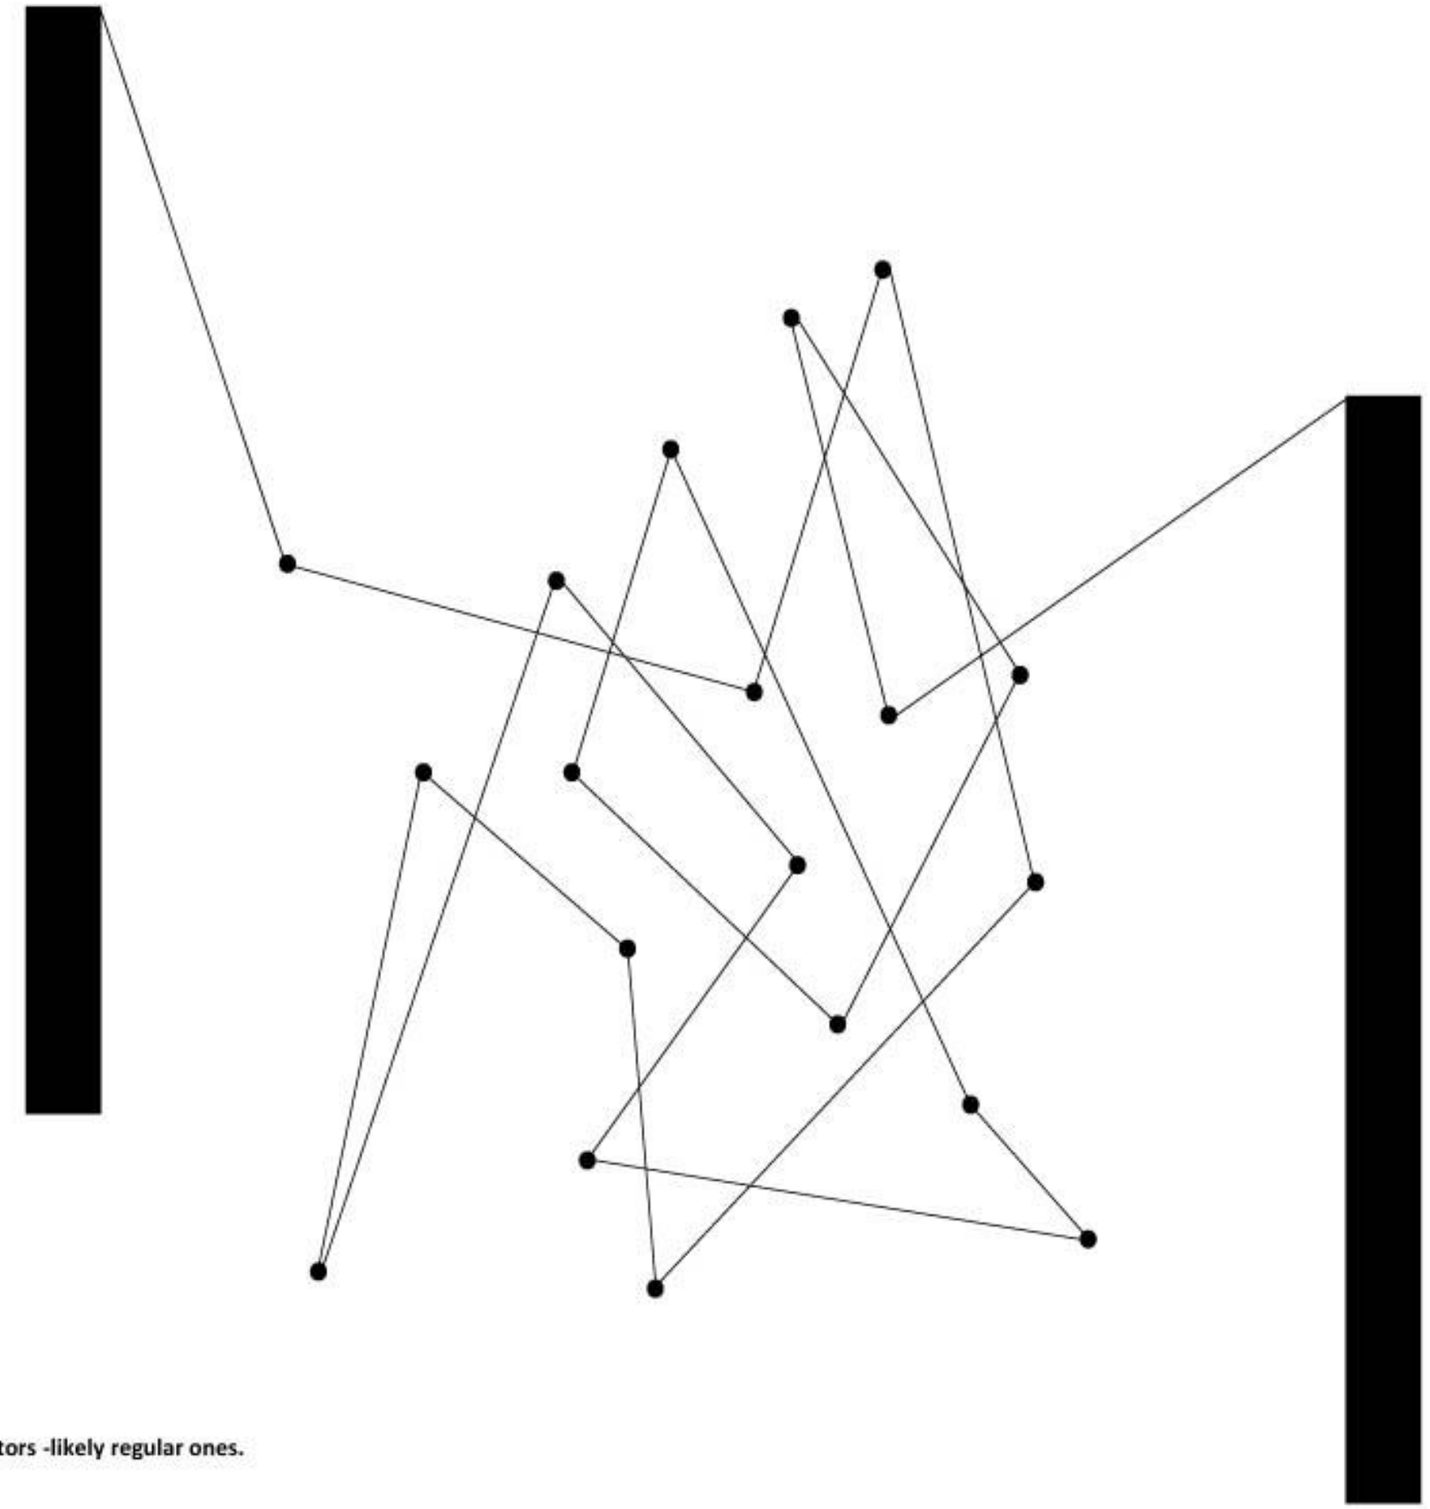
Operation in a residential area is likely to cause harmful intervention in which case the user will be required to correct the interference at his properties.



The reversibility of experience repositioned under the instructions of a masterpiece's memory.



After a definite amount of time, the space could only be counted backwards.



The real distance happened to relay on uncertain factors -likely regular ones.
